NOTES TO UNAUDITED CONDENSED FINANCIAL STATEMENTS

The condensed statements included herein have been prepared by the registrant, without audit, pursuant to the rules and regulations of the Securities and Exchange Commission, and reflect all adjustments which are, in the opinion of management, necessary to a fair statement of the results of operations for the interim period, on a basis consistent with the annual audited statements. The adjustments made to these condensed statements consist only of normal recurring adjustments. Certain information, accounting policies, and footnote disclosures normally included in financial statements prepared in accordance with United States Generally Accepted Accounting Principles (US GAAP) have been condensed or omitted pursuant to such rules and regulations, although the registrant believes that the disclosures are adequate to make the information presented not misleading. It is suggested that these condensed financial statements be read in conjunction with the financial statements and the summary of significant accounting policies and notes thereto included in the registrant's latest annual report on Form 10-K.

1. ORGANIZATION:

DiVall Insured Income Properties 2 LP (the "Partnership") was formed on November 20, 1987, pursuant to the Uniform Limited Partnership Act of the State of Wisconsin. The initial capital, contributed during 1987, consisted of \$300, representing aggregate capital contributions of \$200 by the former general partners and \$100 by the initial limited partner. A subsequent offering of limited partnership interests closed on February 22, 1990, with 46,280.3 limited partnership interests having been sold in that offering, resulting in total proceeds to the Partnership, net of underwriting compensation and other offering costs, of \$39,358,468.

The Partnership is currently engaged in the business of owning and operating its investment portfolio of commercial real estate properties (each a "Property", and collectively, the "Properties"). The Properties are leased on a triple net basis primarily to, and operated by, franchisors or franchisees of national, regional, and local retail chains under primarily long-term leases. The lessees are operators of fast food, family style, and casual/theme restaurants. As of June 30, 2021, the Partnership owned 10 Properties, which are located in a total of three states.

The Limited Partnership Agreement, as amended from time to time (collectively, the "Partnership Agreement"), stipulates that the Partnership is scheduled to be dissolved on November 30, 2023, or earlier upon the prior occurrence of any of the following events: (a) the disposition of all its Properties; (b) the written determination by the General Partner, that the Partnership's assets may constitute "plan assets" for purposes of ERISA; (c) the agreement of limited partners owning a majority of the outstanding limited partner interests to dissolve the Partnership; or (d) the dissolution, bankruptcy, death, withdrawal, or incapacity of the last remaining General Partner, unless an additional General Partner is elected by a majority of the limited partners. During the second and third quarters of the nine odd numbered years from 2001 through 2017, consent solicitations were circulated to the Partnership's limited partners which, if approved by the limited partners, would have authorized the General Partner to initiate the potential sale of all of the Properties and the dissolution of the Partnership (each a "Consent"). Limited partners owning a majority of the outstanding limited partnership interests did not vote in favor of any of the Consents. Therefore, the Partnership continues to operate as a going concern.

During the 2020 consent solicitation process, the Limited Partners approved two separate amendments to the Partnership Agreement. The amendments served to: (i) extend the term of the Partnership by three (3) years to November 30, 2023, and (ii) permit the General Partner to effect distributions at times that it deems appropriate, but no less often than semi-annually.

2. RECENTLY ISSUED ACCOUNTING PRINCIPLES:

In April 2020, the Financial Accounting Standards Board (FASB) issued a question-and-answer document (the "Lease Modification Q&A") focused on the application of lease accounting guidance to lease concessions provided as a result of a novel strain of coronavirus ("COVID-19"). Under existing lease guidance, an entity would have to determine, on a lease by lease basis, if a lease concession was the result of a new arrangement reached with the tenant or if a lease concession was under the enforceable rights and obligations within the existing lease agreement. The Lease Modification Q&A clarifies that entities may elect to not evaluate whether lease-related relief that lessors provide to mitigate the economic effects of COVID-19 on lessees is a lease modification under current lease guidance. Instead, an entity that elects not to evaluate whether a concession directly related to COVID-19 is a modification can then elect whether to apply the modification guidance.

During the year ended December 31, 2020, the Partnership provided a lease concession to one tenant in response to the impact of COVID-19, in the form of a short term rent reduction. The Partnership has made an election to account for such lease concession consistent with how this concession would be accounted for under lease guidance if enforceable rights and obligations for this concession had already existed in the lease. This election is available for concessions related to the effects of the COVID-19 pandemic that do not result in a substantial increase in the rights as lessor, including concessions that result in the total payments required by the modified lease being substantially the same as or less than total payments required by the original lease.

The Partnership's concession provided for a reduction of payments with no substantive changes to the consideration in the original lease. The reduction affected the amount of the lease payments during the months of April, May and June of 2020. The Partnership is accounting for this reduction as if no changes to the lease were made. During the year ended December 31, 2020, the Partnership entered into one lease modification that eliminated an amount that was immaterial to the Partnership.

NOTES TO UNAUDITED CONDENSED FINANCIAL STATEMENTS

3. INVESTMENT PROPERTIES:

The total cost of the Properties includes the original purchase price plus acquisition fees and other capitalized costs paid to an affiliate of the former general partners of the Partnership.

As of June 30, 2021, the Partnership owned 10 Properties, nine of which contained fully constructed fast-food/casual dining restaurant facilities. The following are operated by tenants at the aforementioned Properties: eight separate Wendy's restaurants, an Applebee's restaurant and a Brakes 4 Less store. The 10 Properties are located in a total of three states.

On April 23, 2020, the Partnership executed three Amended and Restated Restaurant Absolutely Net Leases to the Original Leases dated January 30, 1989, by and between the Partnership and Wendgusta LLC ("Tenant", as successor in interest to Wensouth Corporation) with the intent that these Leases will amend, restate and replace the Original Leases. Effective January 1, 2021, for the restaurant property located at 1901 Whiskey Road, Aiken, South Carolina, per the terms of the Amendment, the Tenant will pay \$210,632 annually in rent, in addition to 7% of sales over an annual breakpoint of \$2,632,900 over the term of the lease extension (January 1, 2021 to December 31, 2040). Effective January 1, 2021, for the restaurant property located at 1004 Richland Ave, Aiken, South Carolina, per the terms of the Amendment, the Tenant will pay \$167,500 annually in rent, in addition to 7% of sales over an annual breakpoint of \$2,093,750 over the term of the lease extension (January 1, 2021 to December 31, 2040). Effective January 1, 2021, for the restaurant property located at 3013 Peach Orchard Road, Augusta, Georgia per the terms of the Amendment, the Tenant will pay \$188,000 annually in rent, in addition to 7% of sales over an annual breakpoint of \$2,350,000 over the term of the lease extension (January 1, 2021 to December 31, 2040).

On April 28, 2020, the Partnership executed a Third Amendment to Lease with RMH Franchise Corporation in response to changed circumstances arising from the COVID-19 pandemic. The term of the amendment was April 1, 2020 through June 30, 2020 and during that time suspended the amount and timing of the payment of the monthly base rent, as defined in the Lease. The revised monthly base rent for the months of April and May 2020 was equal to six percent of the monthly gross sales. The revised monthly base rent for the month of June 2020 was a fixed amount of \$5,750. Full monthly base rent resumed July 1, 2020.

On July 21, 2020, the Partnership executed two Amended and Restated Restaurant Absolutely Net Leases to the Original Leases dated January 30, 1989, by and between the Partnership and WendCharles I, LLC ("Tenant", as successor in interest to Wensouth Corporation) with the intent that these Leases will amend, restate and replace the Original Leases. Effective January 1, 2021, for the restaurant property located at 361 Highway 17 Bypass, Mt. Pleasant, South Carolina, per the terms of the Amendment, the Tenant will pay \$146,520 annually in rent, in addition to 7% of sales over an annual breakpoint of \$1,831,500 over the term of the lease extension (January 1, 2021 to December 31, 2040). Effective January 1, 2021, for the restaurant property located at 343 Folly Road, Charleston, South Carolina, per the terms of the Amendment, the Tenant will pay \$136,000 annually in rent, in addition to 7% of sales over an annual breakpoint of \$1,700,000 over the term of the lease extension (January 1, 2021 to December 31, 2040).

Assets are classified as held for sale, generally, when all criteria within GAAP applicable to "Accounting for the Impairment or Disposal of Long Lived Assets" have been met. Subsequent to June 30, 2021, the Partnership entered into an agreement to list two owned properties in Augusta and Martinez, Georgia for sale. These properties did not meet the criteria of held for sale assets as of June 30, 2021.

4. PARTNERSHIP AGREEMENT:

The Partnership Agreement was amended, effective as of October 20, 2020, to extend the term of the Partnership to November 30, 2023, or until dissolution prior thereto pursuant to the consent of limited partners owning a majority of the outstanding limited partnership interests.

Under the terms of the Partnership Agreement, as amended, net profits or losses from operations are allocated 99% to the limited partners and 1% to the current General Partner. The November 9, 2009 amendment also provided for distributions from Net Cash Receipts, as defined, to be made 99% to limited partners and 1% to The Provo Group, Inc. ("TPG", or the "General Partner"), the current General Partner, provided that quarterly distributions are cumulative and are not to be made to the current General Partner unless and until each limited partner has received a distribution from Net Cash Receipts in an amount equal to 10% per annum, cumulative simple return on his, her or its Adjusted Original Capital, as defined, from the Return Calculation Date, as defined, except to the extent needed by the General Partner to pay its federal and state income taxes on the income allocated to it attributable to such year.

The provisions regarding distribution of Net Proceeds, as defined, provide that Net Proceeds are to be distributed as follows: (a) to the limited partners, an amount equal to 100% of their Adjusted Original Capital; (b) then, to the limited partners, an amount necessary to provide each limited partner a liquidation preference equal to a 13.5% per annum, cumulative simple return on Adjusted Original Capital from the Return Calculation Date including in the calculation of such return on all prior distributions of Net Cash Receipts and any prior distributions of Net Proceeds under this clause, except to the extent needed by the General Partner to pay its federal and state income tax on the income allocated to it attributable to such year; and (c) then, to limited partners, 99%, and to the General Partner, 1%, of remaining Net Proceeds available for distribution.

5. TRANSACTIONS WITH GENERAL PARTNER AND ITS AFFILIATES:

Pursuant to the terms of the Permanent Manager Agreement ("PMA") executed in 1993 and renewed for an additional two-year term as of January 1, 2021, the General Partner receives a base fee (the "Base Fee") for managing the Partnership equal to four percent of gross receipts, subject initially to a minimum annual Base Fee. The PMA also provides that the Partnership is responsible for reimbursement of the General Partner for office rent and related office overhead ("Expenses") up to an initial annual maximum of \$13,250. Both the Base Fee and Expenses reimbursement are subject to annual Consumer Price Index based adjustments. Effective March 1, 2021, Management has elected to roll back the last five years of CPI increases to their 2016 level and suspend any future CPI adjustments for the base fee. Therefore, the minimum annual Base Fee decreased by 5.54% from the prior year to \$272,316. The maximum annual Expenses reimbursement remained the same at \$23,256 and any potential future CPI adjustments have been suspended.

For purposes of computing the four percent overall fee paid to the General Partner, gross receipts include amounts recovered in connection with the misappropriation of assets by the former general partners and their affiliates. The fee received by the General Partner from the Partnership on any amounts recovered reduce the four percent minimum fee by that same amount.

Amounts paid and/or accrued to the General Partner and its affiliates for the three and six month periods ended June 30, 2021 and 2020 are as follows:

At June 30, 2021 and December 31, 2020, \$148,498 and \$718, respectively, was payable to the General Partner. Effective with the six Wendy's lease amendments on January 1, 2021, the General Partner earned a leasing commission of \$222,633 representing 3% of only the first 10 years of a 20 year term and reduced by the unamortized portion of previously earned commissions on the six Wendy's in the amount of \$81,935. The commission was included in accounts payable and accrued expenses as of the end of the first quarter. One \$75,000 installment payment was made during the second quarter. The General Partner will determine the available cash flow throughout 2021 to satisfy the obligation, which will entail installment payments. In no event will the sales commissions on liquidation of these six Wendy's and the unamortized portion of the above noted commissions, at the sale date, exceed an aggregate commission of 3%.

NOTES TO UNAUDITED CONDENSED FINANCIAL STATEMENTS

As of June 30, 2021, Jesse Small, an Advisory Board Member, beneficially owned greater than ten percent of the Partnership's outstanding limited partnership interests. Amounts paid to Mr. Small for his services as a member of the Advisory Board for the three and six month periods ended June 30, 2021 and 2020 are as follows:

	Three Month	Three Month	Six Month	Six Month
	Period ended	Period ended	Period ended	Period ended

At June 30, 2021 and December 31, 2020 there were no outstanding Advisory Board fees accrued and payable to Jesse Small.

6. CONTINGENT LIABILITIES:

According to the Partnership Agreement, TPG, as General Partner may receive a disposition fee not to exceed three percent of the contract price on the sale of the properties of the Partnership and two affiliated publicly registered limited partnerships, DiVall Insured Income Fund Limited Partnership ("DiVall 1"), which was dissolved December of 1998, and DiVall Income Properties 3 Limited Partnership, which was dissolved in December 2003 ("DiVall 3"), and together with the Partnership and DiVall 1 (the "three original partnerships"). In addition, fifty percent of all such disposition fees earned by TPG were to be escrowed until the aggregate amount of recovery of the funds misappropriated from the three original partnerships by the former general partners was greater than \$4,500,000. Upon reaching such recovery level, full disposition fees would thereafter be payable, and fifty percent of the previously escrowed amounts would be paid to TPG. At such time as the recovery exceeded \$6,000,000 in the aggregate, the remaining escrowed disposition fees were to be paid to TPG. If such levels of recovery were not achieved, TPG would contribute the amounts escrowed toward the recovery until the three original partnerships were made whole. In lieu of a disposition fee escrow, fifty percent of all such disposition fees previously discussed were paid directly to a restoration account and then distributed among the three original partnerships; whereby the three original partnerships recorded the recoveries as income. After the recovery level of \$4,500,000 was exceeded, fifty percent of the total disposition fee amount paid to the three original partnerships recovery through the restoration account (in lieu of the disposition fee escrow) was refunded to TPG during March 1996. The remaining fifty percent amount allocated to the Partnership through the restoration account, and which was previously reflected as Partnership recovery income, may be owed to TPG if the \$6,000,000 recovery level is met. As of June 30, 2021, the Partnership may owe TPG \$16,296 if the \$6,000,000 recovery level is achieved. TPG does not expect any future refund, as it is uncertain that such a \$6,000,000 recovery level will be achieved.

7. PMA INDEMNIFICATION TRUST:

The PMA provides that TPG will be indemnified from any claims or expenses arising out of, or relating to, TPG serving in the capacity of General Partner or as substitute general partner, so long as such claims do not arise from fraudulent or criminal misconduct by TPG. The PMA provides that the Partnership will fund this indemnification obligation by establishing a reserve of up to \$250,000 of Partnership assets which would not be subject to the claims of the Partnership's creditors. An Indemnification Trust (the "Trust") serving such purposes has been established at United Missouri Bank, N.A. The corpus of the Trust has been fully funded with Partnership assets. Funds are invested in U.S. Treasury securities at fair value at level 1 (see Note 8). In addition, \$229,805 of earnings has been credited to the Trust as of June 30, 2021. The rights of TPG to the Trust shall be terminated upon the earliest to occur of the following events: (i) the written release by TPG of any and all interest in the Trust; (ii) the expiration of the longest statute of limitations relating to a potential claim which might be brought against TPG and which is subject to indemnification; or (iii) a determination by a court of competent jurisdiction that TPG shall have no liability to any person with respect to a claim which is subject to indemnification under the PMA. At such time as the indemnity provisions expire or the full indemnity is paid, any funds remaining in the Trust will revert back to the general funds of the Partnership.

8. FAIR VALUE DISCLOSURES:

The Partnership has determined the fair value based on hierarchy that gives the highest priority to quoted prices in active markets for identical assets and liabilities (Level 1) and the lowest priority to unobservable inputs (Level 3). Inputs are broadly defined as assumptions market participants would use in pricing an asset or liability. The three levels of the fair value hierarchy under the accounting principle are described below:

- Level 1. Quoted prices in active markets for identical assets or liabilities.
- <u>Level 2</u>. Quoted prices for similar investments in active markets, quoted prices for identical or similar investments in markets that are not active, and inputs other than quoted prices that are observable for the investment.
- <u>Level 3</u>. Unobservable inputs for which there is little, if any, market activity for the investment. The inputs into the determination of fair value are based upon the best information in the circumstances and may require significant management judgment or estimation and the use of discounted cash flow models to value the investment.

The fair value hierarchy is based on the lowest level of input that is significant to the fair value measurements. The Partnership's assessment of the significance of a particular input to the fair value measurement in its entirety requires judgment, and considers factors specific to the investment. The assets held in indemnification trust account are invested in one year treasury bills which are measured using level 1 fair value inputs.

The Partnership assesses the levels of the investments at each measurement date, and transfers between levels are recognized on the actual date of the event or change in circumstances that caused the transfer in accordance with the Partnership's accounting policy regarding the recognition of transfers between levels of the fair value hierarchy. For the six-month period ended June 30, 2021 and for the year ended December 31, 2020, there were no such transfers.

9. SUBSEQUENT EVENTS:

We have reviewed all material events through the date of this report in accordance with ASC 855-10.

Item 2. Management's Discussion and Analysis of Financial Condition and Results of Operations

CAUTIONARY STATEMENT

This Quarterly Report on Form 10-Q contains forward-looking statements within the meaning of Section 27A of the Securities Act of 1933, as amended, and Section 21E of the Securities Exchange Act of 1934, as amended (the "Exchange Act"). These forward-looking statements are not historical facts but are the intent, belief or current expectations of management of DiVall Insured Income Properties 2 Limited Partnership (the "Partnership") based on its knowledge and understanding of the business and industry. Words such as "may," "anticipates," "expects," "intends," "plans," "believes," "seeks," "estimates," "would," "could," "should" and variations of these words and similar expressions are intended to identify forward-looking statements. Although we believe that the expectations reflected in these forward-looking statements are reasonable, we can give no assurance that these expectations will prove to have been correct. These statements are not guarantees of future performance and are subject to risks, uncertainties and other factors, some of which are beyond our control, are difficult to predict and could cause actual results to differ materially from those expressed or forecasted in the forward-looking statements.

Examples of forward-looking statements include, but are not limited to, statements we make regarding:

- our expectations regarding financial condition or results of operations in future periods;
- our future sources of, and needs for, liquidity and capital resources;
- our expectations regarding economic and business conditions;
- our business strategies;
- our decisions and policies with respect to the potential retention or disposition of one or more Properties;
- our ability to find a suitable purchaser for any marketed Properties;
- our ability to agree on an acceptable purchase price or contract terms;
- our ability to collect rents on our leases;
- our ability to maintain relationships with our tenants, and when necessary identify new tenants;
- future capital expenditures; and
- other risks and uncertainties described from time to time in our filings with the Securities and Exchange Commission (the "SEC").

Critical Accounting Policies and Estimates

Management's discussion and analysis of financial condition and results of operations are based upon our financial statements, which have been prepared in accordance with US GAAP. The preparation of these financial statements requires our management to make estimates and assumptions that affect the reported amounts of assets, liabilities, revenues and expenses, and related disclosure of contingent assets and liabilities. On a regular basis, we evaluate these estimates, including investment impairment. These estimates are based on management's historical industry experience and on various other assumptions that are believed to be reasonable under the circumstances. Actual results may differ from these estimates, and the difference could be material.

The Partnership believes that its most critical accounting policies deal with:

<u>Depreciation methods and lives</u>- Depreciation of the Properties is provided on a straight-line basis over the estimated useful life of the buildings and improvements. While the Partnership believes these are the appropriate lives and methods, use of different lives and methods could result in different impacts on net income. Additionally, the value of real estate is typically based on market conditions and property performance, so depreciated book value of real estate may not reflect the market value of real estate assets.

<u>Revenue recognition</u>- Rental revenue from investment properties is recognized on a straight-line basis over the life of the respective lease when collectability is assured. Percentage rents are accrued only when the tenant has reached the sales breakpoint stipulated in the lease.

<u>Impairment</u>- The Partnership periodically reviews its long-lived assets, primarily real estate, for impairment whenever events or changes in circumstances indicate that the carrying amount of such assets may not be recoverable. The Partnership's review involves comparing current and future operating performance of the assets, the most significant of which is undiscounted operating cash flows, to the carrying value of the assets. Based on this analysis, if deemed necessary, a provision for possible loss is recognized.

Investment Properties

As of June 30, 2021, the Partnership owned 10 Properties, nine of which contained fully constructed fast-food/casual dining restaurant facilities. The following are operated by tenants at the aforementioned Properties: eight separate Wendy's restaurants, an Applebee's restaurant and a Brakes 4 Less store. The 10 Properties are located in a total of three states.

Property taxes, general maintenance, insurance and ground rent on the Properties are the responsibility of the tenant. However, when a tenant fails to make the required tax payments or when a Property becomes vacant, the Partnership makes the appropriate property tax payments to avoid possible foreclosure of the property.

There were no building improvements capitalized during the three-month period ending June 30, 2021.

Net Income

Net income for the three-month periods ended June 30, 2021 and 2020 was \$216,183 and \$225,697, respectively. Net income per limited partnership interest for the three-month periods ended June 30, 2021 and 2020 was \$4.62 and \$4.83, respectively. Net income for the six-month periods ended June 30, 2021 and 2020 was \$348,985 and \$196,771, respectively. Net income per limited partnership interest for the six-month periods ended June 30, 2021 and 2020 was \$7.46 and \$4.21, respectively.

The increase is primarily the result of increased monthly rental revenue resulting from the six Wendy's locations whose leases renewed as of January 1, 2021.

Factors Which May Influence Results of Operations

The Partnership is not aware of any material trends or uncertainties, other than national economic conditions affecting real estate generally, that may reasonably be expected to have a material impact, favorable or unfavorable, on revenues and investment property value. However, due to the recent outbreak of the coronavirus (COVID-19) in the U.S. and globally, our tenants and operating partners may be impacted. The impact of the coronavirus on our future results could still be significant and will largely depend on future developments, which are highly uncertain and cannot be predicted, including new information which may emerge concerning the severity of the coronavirus, the success of actions taken to contain or treat the coronavirus, and reactions by consumers, companies, governmental entities and capital markets.

Results of Operations

Three-month period ended June 30, 2021 as compared to the three-month period ended June 30, 2020:

Operating Rental Income: Rental income for the three-month periods ended June 30, 2021 and 2020 was \$357,745 and \$382,504, respectively. The rental income was comprised primarily of monthly lease obligations and includes recognition of annual percentage rents earned year-to-date and adjustments for straight-line rent.

General and Administrative Expense: General and administrative expenses for the three-month periods ended June 30, 2021 and 2020 were \$14,365 and \$15,425, respectively. General and administrative expenses were comprised of management expense, state/city registration and annual report filing fees, XBRL outsourced fees, office supplies, printing costs, outside storage expenses, copy/fax costs, postage and shipping expenses, long-distance telephone expenses, website fees, bank fees and state income tax expenses.

Professional services: Professional services expenses for the three-month periods ended June 30, 2021 and 2020 were \$32,029 and \$32,845, respectively. Professional services expenses were primarily comprised of investor relations data processing, investor mailings processing, website design, legal, auditing and tax preparation fees, and SEC report conversion and processing fees.

Six-month period ended June 30, 2021 as compared to the six-month period ended June 30, 2020:

Income from operations for the six-month periods ended June 30, 2021 and 2020 were \$348,985 and \$196,771, respectively. See paragraphs below for further information as to the primary factors that contributed to the variances in operating income and expense items from the 2020 periods to the 2021 periods.

Operating Rental Income: Rental income for the six-month periods ended June 30, 2021 and 2021 was \$706,936 and \$602,275, respectively. The rental income was comprised primarily of monthly lease obligations and includes accruals for annual percentage rents earned year-to-date and adjustments for straight line rent. The increase relates primarily to increase monthly rental revenue year-to-date due to the six Wendy's leases that were effective on January 1, 2021. Additionally, the accrual for percentage rents is much lower than in previous years due to the increase in the percentage rent breakpoint for the same six Wendy's whose leases were extended as of January 1, 2021.

General and Administrative Expense: General and administrative expenses for the six-month periods ended June 30, 2021 and 2020 were \$42,544 and 47,476, respectively. General and administrative expenses were comprised of management expense, state/city registration and annual report filing fees, office supplies, printing costs, outside storage expenses, copy/fax costs, postage and shipping expenses, long-distance telephone expenses, website fees, bank fees, state income tax expenses and bad debt allowance. The decrease is due primarily to the decrease in state income taxes paid for 2020 and estimates paid for 2021, which are lower than what was paid in 2020.

Professional services: Professional services expenses for the six-month periods ended June 30, 2021 and 2020 were \$122,420 and \$137,964, respectively. Professional services expenses were primarily comprised of investor relations data processing, investor mailings processing, website design, legal, auditing and tax preparation fees, and SEC report conversion and processing fees. The decrease year-over-year is due to primarily to lower legal fees. In 2020, our legal fees were higher related to the work on the six Wendy's lease extensions.

Cash Flow Analysis

Net cash flows provided by operating activities for the six-month periods ended June 30, 2021 and 2020 were \$929,162 and \$693,094, respectively. The increase is attributed to higher net income year over year in addition to lower accrued percentage rents.

Cash flows used in investing activities for the six-month periods ended June 30, 2021 and 2020 were \$0 and \$3,862, respectively. The 2020 amount represents interest earned on the indemnification trust account.

For the six-month period ended June 30, 2021, cash flows used in financing activities was \$801,396 and consisted of aggregate limited partner distributions of \$800,000, and general partner distributions of \$1,396.

For the six-month period ended June 30, 2020, cash flows used in financing activities was \$600,787 and consisted of aggregate limited partner distributions of \$600,000, and general partner distributions of \$787.

Liquidity and Capital Resources

The Partnership's cash balance was \$200,010 at June 30, 2021. Cash of \$200,000 is anticipated to be used to fund the 2021 second quarter aggregate distribution to limited partners on or about August 16, 2021.

The Partnership's principal demands for liquidity historically have been, and are expected to continue to be, for the payment of operating expenses and distributions. Management anticipates that cash generated through the operations of the Properties and potential sales of Properties will primarily provide the sources for future Partnership liquidity and limited partner distributions of cash flows from operations. The Partnership is in competition with sellers of similar properties to locate suitable purchasers for its Properties. The two primary liquidity risks in the absence of mortgage debt with respect to the on-going operations of the Properties are the Partnership's inability to collect rent receivables and near-term or chronic property vacancies. The amount of cash to be distributed to our limited partners is determined by the General Partner and is dependent on a number of factors, including funds available for payment of distributions, capital expenditures, and taxable income recognition matching, which is primarily attributable to percentage rents and property sales.

As of June 30, 2021, the current ten Properties were 100% leased. In addition, the Partnership collected 100% of its base rent from current operating tenants for the period ended June 30, 2021 and the year ended December 31, 2020, which we believe is a good indication of overall tenant quality and stability.

Item 3. Quantitative and Qualitative Disclosure About Market Risk

As a smaller reporting company, the Partnership is not required to provide the information required by Item 305 of Regulation S-K.

Item 4. Controls and Procedures

Controls and Procedures

Controls and Procedures:

As of June 30, 2021 the Partnership's management, including the persons performing the functions of the Partnership's principal executive officer and principal financial officer, have concluded that the Partnership's disclosure controls and procedures (as defined in Rules 13a-15(e) and 15d-15(e) under the Exchange Act) as of the end of the period covered by this report were effective based on the evaluation of these controls and procedures as required by paragraph (b) of Rule 13a-15 or Rule 15d-15 under the Exchange Act.

Changes in Internal Control over Financial Reporting:

There has been no change in the Partnership's internal control over financial reporting (as such term is defined in Rules 13a-15(f) and 15d-15(f) under the Exchange Act) that occurred during the fiscal quarter ending June 30, 2021 that has materially affected, or is reasonably likely to materially affect, the Partnership's internal control over financial reporting.

DiVall Insured Income Properties 2, L.P. Quarterly News

August 16, 2021

TWO PROPERTIES LISTED FOR SALE

We have entered into listing agreements for two properties with limited upside potential except for lower capitalization rates correlating to lower interest rates. The first property is a Wendy's in an "opportunity zone" in Augusta, GA. The second property is our Brakes4Less which was a re-purposed Wendy's in Augusta, GA, which opened two years ago. The Brakes4Less is not a use consistent with our restaurant portfolio.

We would hope to sell these properties in late 2021 or early 2022. The net sales proceeds will be distributed.

DIRECT DEPOSIT NOW AVAILABLE FOR FUTURE DISTRIBUTIONS

Direct deposit to your bank account is now available through ACH (Automated Clearing House). Please send a signed letter of instruction with a voided check attached to Investor Relations (see contact information on page 2). Or you can contact Investor services directly to request a Change of Distribution Option form.

DISTRIBUTION HIGHLIGHTS

\$200,000 (\$4.32 per unit) will be distributed for the second quarter of 2021 on or about August 16, 2021.

Since the Partnership's initial "investable" capital raise of \$39 million (net of \$7 million of syndication fees) in the late 1980's; the Partnership has distributed approximately \$79 million to investors, from both operations and strategic sales.

ADVISORY BOARD MEMBER THOUGHTS

Jesse Small is the largest unitholder of DiVall2 and a long-serving Advisory Board member. He requested an opportunity to express his simple and unadulterated thoughts to fellow limited partners as follows (unedited):

"Over the past 28 years the Advisory Board has watched the following items happen:

- 1. DiVall's finances improve
- DiVall's income stability increase
- 3. DiVall's net asset value per unit improve

All these items are directly caused by the stewardship of our general partner.

Great job Bruce take us into the future"
JESSE SMALL

Albert Kramer also expressed a desire to comment on his perspective on the partnership's journey toward its current portfolio as follows:

"I have been an investor in the Partnership for 27 years and a member of the Advisory Board for most of those years, participating in quarterly meetings and conference calls with management, outside counsel and auditors. I concur 100% in Jesse Small's comments. I have seen over the years how Bruce Provo strengthened the Partnership by selling underperforming properties, retaining financially strong tenants, and renegotiating leases with enhanced terms. As an investor, I am extremely pleased with the direction Mr. Provo has provided to the Partnership."
