**DISTRIBUTIONS OF NAV ATTRIBUTABLE TO INDIVIDUAL PROPERTY SALES**

Although the consent approved by the limited partners as of October 15, 2020, provided discretion by the general partner to make distributions semi-annually; the magnitude and frequency of expected funds from sales through year-end warrants distribution of NAV attributable to each individual property sale in approximately 30 days from each respective closing. In the current uncertain banking world; we don't want to be responsible for holding seven figure cash balances (due the limited partners) for an extended period before distribution.
